

Breaking the Borders– is a non-profit organisation that works on youth initiatives development, realisation of innovative projects and unites active citizens of Greece on a voluntary basis. The organisation's aim is purely educational, cultural and non-profit, and consists in taking initiatives and practical action in the fields of culture, social responsibility, solidarity and ecology with particular emphasis on the contribution to personal development as citizen of the world, through active citizenship in Greece and expansion in Europe and worldwide

Our activities consist of the ongoing investigation, exploration, planning and implementing programs, in order to support youths, as creating and maintaining web site, creating information center, collaboration with other organisations and generally other institutions of the Greek state and other states. We also want to have active organisation and participation in exhibitions, workshops, courses, lectures, conferences, screenings, festivals, parties, concerts, sporting, cultural and other events / activities and programs within or outside Greece
